

## STYLING AT THE LAIR

To style/make a costume that has the extraordinary you all over it, here's some things to help give clarity along the way.

<p>What style do you have in mind? Whimsical flair, vintage, dark, open to a mix?</p>	
<p>What colours do you like? This might also help for accessories/graphics</p>	
<p>Are you bringing any items to wear? Or incorporate into the outfit? Such as stockings (Beserk has great options)</p>	
<p>Professional makeup artist will take you to new levels. Any faux lashes you'd like to bring?</p>	
<p>What shoes will you bring on the day? Maybe bring two pairs, like a second as a pair of boots</p>	
<p>Are there any props or costumes you have seen at the Lair you would like to wear/use on the day?</p>	
<p>Are there any graphics (branding) you want to add to a photo?</p>	
<p>Is there something you would like to be sourced/made on your behalf?</p>	
<p>Is there anything else you want to add? Love nature, dolls, vintage cars...</p>	

Please note – Ana has extensive professional photo retouching & graphic design skills, therefore there is basically no limits to what we can do. See #ultravioletlair (Facebook/Instagram) socials as a guide.
